

Dear Sir/Madam

Town and Country Planning (Local Development) (England) Regulations 2004 as amended – Regulation 30

Shepway Local Development Framework for planning:

Submission of the Core Strategy Development Plan Document

Shepway District Council is writing to notify you that the LDF Core Strategy has been submitted to the Secretary of State.

This means a suite of documentation has been sent to the independent Planning Inspectorate, which will inform the Examination in Public that will be held in spring to determine whether the Core Strategy is sound and can be adopted. The Submission Core Strategy is based on the document published in July 2011, on which public representations were made. Documentation also includes various other formal statements and supporting evidence.

Should you wish to study submission documentation, please find attached notification of where documents are being deposited locally; and you are also advised to contact us on planning.policy@shepway.gov.uk. Documents are currently being printed and will be delivered to the venues noted within the attachment within the next seven days, if you wish to view a hard copy of the any document before then you can do so at the Civic Centre. Full information can be seen on www.shepway.gov.uk/currentconsultation. Extensive information on the Examination in Public will be placed on the website in due course; and those who made Core Strategy representations in 2011 will be directly notified of Examination details in advance.

This letter is for your information only and does not necessitate any action or response on your part. You have been contacted as we believe that you have commented since 2007 on the Core Strategy or are listed as a statutory consultee. For assistance, please email, or telephone (01303) 853266 or (01303) 853318.

Yours faithfully

D.Shore

Dave Shore
