MARCH 2013

Hello to you all and I hope that you are well and have braved the winter weather. For some of you who live in the rural areas it must have been particularly bad, as the town and side roads proved a challenge.

SHED BREAK Ins

Unfortunately im having to ask you all again to be vigilant again as there has been a slight increase in this. As you know we can help with advice and were available with shed alarms should anyone who has been a victim need one. There isn't a lot to go on at this time regarding suspects, so any thing you may feel needs reporting ring 101 non-emergency number.
